FROM: Shilpa Srinivasan, M.D.
President

SUBJECT: 2012 Annual Meeting

The South Carolina Psychiatric Association (SCPA) recognizes your company as a valuable resource to psychiatry in our state and appreciates your support of our society in the past. We are currently in the early planning stages of our 2012 Annual Meeting, which will be held January 27-29, 2012, at the Doubletree Guest Suites hotel in Charleston, South Carolina, and would like to request your support.

We are hopeful that you will support this educational meeting, which we expect will draw participants from around South Carolina, North Carolina and Georgia. We have confirmed several locally and nationally known speakers, specializing in the medical profession of psychiatry, to include Drs. Josepha Cheong, Kenneth Towbin, Philip Muskin, Vaughn McCall, Thomas Kosten, Mark George, Richard Frierson, Rachel Houchins and Kenneth Rogers. Enclosed is a copy of the preliminary agenda for the meeting.

We are planning a great program. The meeting will begin with a reception, scientific poster competition and speaker on Friday evening. Your exhibitor registration fee includes tickets to the reception. You are also invited to the breakfast buffet and a morning refreshment break to be held in the exhibit space on Saturday and Sunday.

If you are interested in becoming a corporate partner, sponsor or reserving a booth to exhibit at our Annual Meeting in Charleston, please complete and return the enclosed contract and registration and/or corporate partnership form. The exhibitor registration fee is \$1,300.00. The corporate partnership fees are indicated within the Annual Corporate Partnership Program application form. Please complete and return the enclosed form(s) no later than **December 1, 2011**. Checks should be made out to the SCPA and mailed to Pamela Trapp, P.O. Box 11188, Columbia, SC 29211.

If you have any questions, please contact Pamela Trapp, Society Director at (803) 798-6207 ext. 242, (800) 327-1021 statewide or via e-mail at pamela.trapp@scmanet.org.

Thank you in advance for your continued support of psychiatric education in South Carolina.
